Dear Parent/Carer

UCAS Higher Education Exhibition – University of Winchester

Tuesday 28th April 2020

10:30am – 1pm

Further to my recent letter detailing important issues and dates, I am now writing with further information about the forthcoming UCAS Exhibition which takes place at the University of Winchester on **Tuesday 28 April**. This has already been discussed with students in a recent assembly and they have received further information via email.

UCAS exhibitions are the only opportunity students have to explore a variety of options in one setting. They're a chance to get talking with university admissions staff and subject specialists, find out what life's like on and off campus, and discover what else is on offer when exams are done and dusted – volunteer work, gap year adventures, and career opportunities. There is usually a number of employers (including Royal Navy and Army), Apprenticeship providers etc in attendance as well. We therefore encourage all students to attend.

Bay House Sixth Form's arrival 'slot' for the Exhibition is 10:30am and, in order to accommodate the very large number of students planning to attend, it is very important that this is adhered to (colleges have staggered arrival times). Students will be off timetable for the day.

Students can either make their own way there or book a space on the organised coach (places limited).

Please follow link in the email that was sent out on Thursday 5th March, giving us details of how your child will be getting to the event.

If you have any questions, then please do not hesitate to get in touch.

Yours faithfully

Mr R Dadd
Head of Sixth Form
